

Here's What Happened In Our Classroom Week of Feb.6

Monday

We discussed what Valentine's Day is about. We made large Valentine's pockets for our Valentine's we will receive from our friends at our class party. This was a good activity for our fine motor skills as well as the concepts of size and seriation.

Tuesday

Guidance Time with Mrs. Ketterhagen. We discussed the letter Ll and it's sound. We read the "Loony Lion" story and brainstormed things that begin with Ll. We made Lion paper bag puppets.

Wednesday

We made Valentine's for our parents today (another good project for our fine motor skills). We are excited to give our special Valentine to them.

Thursday

Sharing Time, Library Time. In Gym Class today we had Open Gym Time—our favorite! 😊

Next Week's Theme

Valentine's Day/Letter Mm
